WORLD SPINA BIFIDA AND HYDROCEPHALUS DAY

The **World Spina Bifida and Hydrocephalus Day 2025** is coming up soon! For this international day on **October 25**, IF shares with you the **WSBHD25 toolkit**. This toolkit can be used by you to raise awareness on your social media and mark this special day.

Gaps in key areas of life present frequent challenges for individuals with SBH. With stigma, discrimination and lack of awareness creating further barriers to the full enjoyment of life.

Join the SBH community and let's all together:

Our social media toolkit will provide you with all useful information and materials to promote this special day, including logos, banners, posters, templates for social media profile pictures and stories, etc.

These materials are developed for you to share on your website, on social media, and to distribute within your network.

Please share this toolkit with colleagues, friends and family and join IF to spread awareness about living with SBH!

**THANK
YOU**

for your support
and contribution to
make the WSBHD25
a memorable day!
