International Women's Day IF WEBINAR

6 March 2026 | 3PM – 5PM CET

Women and girls with disabilities continue to face barriers to their rights, justice, and full participation in society, often at the intersection of gender and disability.

This International Women's Day, **join IF for a global online event guided by the UN theme "Rights. Justice. Action. For ALL Women and Girls"**, bringing together lived experiences, collective reflection, and calls for action from across the world.
